Located at the end of Lightner Creek Road, the historic Steward Ranch is where scenes from the movie *City Slickers* were filmed.

The Timberline Cowboys, with J. Michael Mullins and Geary Parsons, has an unmistakable chemistry and ability to blend cowboy lore, humor and romance into their music. Mike's original song "Drivin' This Herd to the Rail" won the 2024 IWMA Working Cowboy Song of the Year.

IWMA Cowboy Poetry Champion in 2021, Lindy's poetry is original, humorous and dynamically presented.
